Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Bristol Senior Center Facility Rehabilitation Project fiscal year 2022.

The entity to receive funding for this project is the Town of Bristol, located at 10 Court Street, Bristol, RI 02809.

This funding will be used to support the design and full rehabilitation of the decommissioned Walley School to convert it into a municipal senior services facility. An estimated 30 percent of Bristol residents age 65 and older have an annual household income below \$20,000, with 9 percent below the federal poverty line. Funding for this project will help the Town of Bristol effectively coordinate local senior service activities and respond to the rapidly changing needs of Bristol's senior population.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "D. N. Cicilline".
